

Stuyvesant Depot Restoration Committee

Minutes of the March 16, 2013 Meeting

Members present were M, Burch, C. Burch, L. Jamison, R. Anderson, R. Knott, K. Hummel, M. Richardson, A. Songayllo and R. Moran.

Co Chair M. Burch called the meeting to order at 9:09 AM at the Town Hall and gave opening remarks.

I Minutes: Minutes of the Jan. 19. meeting were read for approval. C. Burch made a motion to approve the minutes, K. Hummel seconded. Motion approved.

II A. Scheduled Events: The group reviewed the list of events scheduled. The Mother's Day Spring Plant Sale and Rhubarb Festival on May 10 was up for discussion. Marilyn will look for the notes we made after last year's event. There will be a rhubarb recipe contest. with celebrity judges and the sale of rhubarb baked goods. Farmers will be sought for an herb and plant sale. Details will be discussed and tasks assigned at the March meeting. Joe and Selma from WAMC were suggested as celebrity judges

B. Other ideas: There was talk of a fund raiser or raffle. April 25, 2015 marks 150 years ago the Lincoln Funeral Train's passing through Stuyvesant. We are in a good position to celebrate this event. A less serious event that could be celebrated now would be the Lincoln Ghost train, appearing along the route on this day.

III Grant: The grant is moving slowly but hopefully along. The architect is making one more change to go back once again to DOT.

IV Construction: The North windows, mortar and brickwork were discussed. R. Moran will have a sample of the mortar tested for composition.

V New Business: Local small grants were mentioned. We could pick a suitable project to apply for funds,

Respectfully submitted,

Richard Anderson
Recording Secretary
