Many thanks to Stuyv Falls Fire Company for filling the rink on several cold afternoons!!!!

Petitions are being carried for support of fields in Sharptown Park. Seems to be good feedback.

Earlier in the week, Matt made a presentation on the Park at the Greenway Meeting. Members there had passed a motion to suggest the Town Board hold a public info meeting on the Park. Lee moved and Kathy seconded that we also support this idea and suggest March 1st as the meeting date. Approved.

Matt will be making a presentation to the Stuyvesant Senior Citizens about the Park.

Sean and Roz will attend the Kinderhook Recreation Commission Meeting on 2-4-08 to discuss opportunities for intermunicipal cooperation.

We discussed getting trailbuild dates from Willie Janeway (Sean) so we can recruit volunteers. Roz to speak to Willie about grant prospects.  
Lee will pursue help with pavilion design. Neighbor Rob Whitlock expressed interest. She will also contact CLC. Don Widgeskog was also mentioned as a possible contact.  
We discussed looking at the composting toilet plans for the Depot to see if we might simply borrow that plan.
