

## **Recreation Committee Meeting Minutes September 2009**

September 12, 2009

Present: Roz Gumaer, Lee Jamison, Sean Cummings, Tom Pinkowski, Michelle Richardson

Guest: Bill Bateman

### **Approve August minutes**

Motion: Roz, Second: Lee: Approved

### **Pavilion Design**

Bill Bateman submitted tentative plans. Roz, Lee and Bill will meet at the park to determine site(s) to propose on Sunday 27th at 11AM.

### **Summer Program**

61 kids attended the summer program at Kinderhook. Cost: \$7950

We will reconcile our list with Kinderhook's list to create a mailing list for feedback letters. Roz and Michelle will work on this. Next year we'll have to be more proactive in organizing nature walks at KHMP.

### **Quadracentennial**

We need to create a flyer for the softball game. Could we use the photo of Dick Frick on the flyer? Michelle will create once we have photo and permission.

We need softball equipment. Roz will call Peter Donahoe. Tom has catcher's equipment.

Game to start at 1PM at VFW, following hot dogs at the fire house at noon.

Roz and Lee will run the small kids' activities. Lee to bring kids' equipment.

### **Budget**

Last year's was \$8500k, which just covers the summer program.

Would like to cover playground repairs, skating rink materials, nature education speaker fees, intermunicipal cooperative programs, etc. Ask for \$1500. First budget workshop scheduled for 10/1 at 7PM.

Grant writer: Bill will ask two grant writers what their typical fees are. Money for activities like 5k kids' events.

### **Trails**

Sean gave an overview of trails effort in Kinderhook and lead in to Stuyvesant Trails Committee. New Trails Committee will start meeting in a few weeks. Would like to focus on the grant, but also do a town-wide inventory of possibilities.

### **What is the status of...**

Hunting permits?

Kiosk at Ken Hummel Park?

**Next meeting** 10/3 at 9AM

Adjourn 10:05AM

Respectfully submitted,  
Michelle Richardson
