

**Stuyvesant Railroad Station Restoration Committee**  
**Minutes of the Meeting of August 12, 2023**

Present: Cal Burch, Marilyn Burch, Lee Jamison, John Bosquet-Morra, Isabelle Bosquet-Morra, Kim Keziah, and Karen Hummel

L. Jamison asked where Ron Knott was as he was supposed to bring the priority list to the meeting. K. Hummel expressed dismay at how projects tend to drag out. L. Jamison suggested that Ron could send out an email list, but otherwise we have to wait.

Events: The Blueberry Waffle Brunch was not as successful as we would have liked. It rained all day so attendance was low. We didn't have many committee members helping out but Maria Ausherman and Sandra LoPresto both volunteered and helped out wonderfully. We turned in \$341 and paid out \$96.

Next Sunday will be our Corn Festival. Erik Burch has ordered the corn from Altobelli's Farm Stand. We will hold a bake sale with L. Jamison saying she would make tarts. J. Bosquet-Morra offered to help with the grilling and said he would talk to R. Knott who was planning on grilling hot dogs, sausage, and hamburgers, as well as corn on the cob. K. Keziah offered to check up on whether we needed bowls, spoons, or anything else, while L. Jamison said she would provide punch. M. Burch is making corn chowder and R. Moran and K. Keziah said they would make cornbread.

R. Moran reminded everyone that Stuyvesant Day is being celebrated on September 16 with a fireworks show at the waterfront.

Construction: R. Moran has not been successful in finding replacement wainscoting at a reasonable price. C. Burch thought that the baseboard pieces might be stored somewhere.

New Business: K. Keziah asked what was happening to the web site. J. Morra said they are trying to take pictures and photo-shop them to show what donations could produce. K. Keziah again brought up the priority list.

Next Meeting: July 9.

Adjournment: Motion made by L. Jamison and seconded by I. Bosquet-Morra.

Respectfully submitted,  
Marilyn Burch.
